Otamatea High School

Dear Parents and Caregivers

We warmly welcome you to Otamatea High School and its wider community. We trust your association with the High School will be both challenging and rewarding.

Enclosed is our information package outlining the educational opportunities Otamatea High School has to offer your child.

We believe all students should receive a quality education within a disciplined, safe and supportive learning environment. We achieve this by having dedicated, professional staff, excellent facilities and a commitment to working closely with families and the community. We offer a full range of courses within an innovative curriculum. More importantly, we ensure each student is treated as an individual.

At the junior level, we place a strong emphasis on reading, writing and numeracy in order to provide a firm foundation for growth. Students also have tuition in a wide range of other courses.

Otamatea High School has excellent learning resources. These include computer facilities with access to the Internet, fully equipped workshops, a library with research facilities, extensive playing fields, and many well equipped specialist rooms. An Arts Centre, Astro turf Court, Fitness Centre, Gymnasium and Pool also provide excellent learning spaces.

The school strives for excellence in all areas, offering innovative programmes with exceptional academic results. Students are encouraged to participate in a wide variety of extra-curricular activities in both sporting and cultural fields. As a result of this our students are very successful over a wide range of school activities.

I warmly invite you to become part of our high achieving community. If you require more information or would simply like to visit our school, please don't hesitate to contact me.

Music Tuition

At present the school offers lessons for the following instruments:

Keyboard

Guitar

Drums

These lessons are held during school time and are open to all ages (subject to the availability of instruments).

There is a hireage fee for some instruments as well as a small fee to cover expenses such as photocopying and repairs.

We have Rock Quest bands and small instrumental groups that give students opportunities to perform on their instruments.

Music is taught as a curriculum subject.

Textbooks and Stationery

Textbooks are issued on loan to students who are expected to take full responsibility for them. Students will be billed for lost or damaged books.

Stationery is sold at the school at competitive prices.

School Donation

Our school donation is not compulsory, but it is **very important** to our school because it pays for curricular and extra-curricular activities which we otherwise could not offer students.

It comprises:

\$60.00 per year for one child (\$90.00 for 2 or more)
20.00 per year photocopying levy (for each student)
10.00 per year cultural fee (for each student)

\$90.00

5.00 per child (once only) student file

\$95.00

Note:

1. The cultural fee enables students to see the visiting performing groups which visit the school annually e.g. The Ugly Shakespeare Company.
1. The student file, is a one off payment and the file will be given to the student, on request, when they leave school.
3. Subjects, such as English, Mathematics and Science make use of workbooks and study guides which may incur an extra cost. These are used in class and for homework and are kept by the students. It is very important that these are purchased when requested by the teacher.

Some subjects have a take home component, charge fees. For example, Technology and Home Economics. These fees are compulsory.

An account will be sent home in Term One or, if not at the beginning of the year, when the student enrolls.

To spread the load of costs to parents, automatic payments can be arranged through the Executive Officer, Mrs Cornhill Davies.

Student Conduct & Expectations

All students are expected to:

- arrive on time
- follow instructions
- bring the equipment needed
- leave other people and their property alone
- remain in their seats unless instructed to move by the teacher
- avoid “put downs” or offensive language
- be thoughtful and considerate
- show respect for themselves and for others
- wear their uniform well and with pride

In general, the school aims to maintain high standards of student conduct based on pride, self-respect and concern for others.

We hope that parents will give their full support to staff in upholding these standards.

2. Underline in RED pen and use a ruler.
3. Teachers will mark in GREEN pen.
4. Diagrams should be in pencil unless directed otherwise.
5. The covers of exercise books, inside and out, are to be graffiti free. The pages in the books should also be graffiti free. If a book has graffiti on it the student will be asked to remove it. This may mean that they have to copy the contents of their book into another book.
6. Exercise books are to be set out as directed by the subject teacher.
7. Pages may be bordered or decorated but this will be at the discretion of the subject teacher.
8. Books may be covered with appropriate photographs etc but must not advertise cigarettes, alcohol, promote drugs or contain any other material that is offensive to other staff, parents or students.
9. All books are to be named with the student and teacher's name.
10. This exercise book code refers to folders as well.

PROCEDURE FOR ABSENCE FROM OTAMATEA HIGH SCHOOL

ABSENCE FROM SCHOOL

On the first and every other day your child is absent, the parent / caregiver must ring the school, before 8.50am if possible, to explain why the child is away.

If your child is absent from school and his/her vertical form teacher does not know the reason why, the teacher will ask the Attendance Officer to telephone the child's home to ask why he/she is not at school.

LATE TO SCHOOL

The student must "sign in" on the clipboard in the office when he/she arrives at school. If a parent/caregiver is with them, then they should put their signature on the sheet also. If the student has a note, it should be left on the clipboard and a parent/caregiver signature is therefore, not necessary.

If a parent/caregiver wants to ring the school to say their child is going to be late, then they may do so. In this case a note is not required.

DEPARTURE DURING THE DAY

The student's parent / caregiver should provide a note **addressed to the Assistant Principal**, explaining why the student must leave during the school day. The student should bring that note to the Assistant Principal for her/him to sign, straight after they have been marked present and heard the daily notices during morning Vertical Form time.

When the student goes to leave, he/she must "sign out" on the clipboard in the school office. The note must be left on the clipboard.

If the student does not have a note, the parent/caregiver or adult who is collecting the student from school must put their signature on the sheet also.

It would be appreciated if a note could also be sent to the vertical form teacher the next day.

Year 13 students do not need a note. They must, however, sign in and out and must seek permission from a member of the Senior Management Team.

SCHOOL BUSES

Generally, because the buses are full, parents are unable to request permission that their child travel on another bus other than their own. An approach seeking permission must be made to Mr Hutching **at least 3 days** prior so that you can make alternative transport arrangements if your request is refused.

ATTENDANCE OFFICER

Otamatea High School is part of the Otamatea District Truancy Service. If a student has a number of days and/or a regular pattern of particular days away from school, then their name, address, phone number and absence details will be referred to the Attendance Officer who will make personal or written contact with the parents/caregivers.

CHANGE OF ADDRESS / TELEPHONE NUMBER

If a family moves, changes phone number or gets a number when they did not have one before, then it is important that the school is notified – particularly for emergency reasons.

LEAVING SCHOOL

If a student is leaving school, then the parent is required to ring the school and / or provide a signed note at least **a week prior** to the student's last day.

The student must collect from the office a Leaver's Clearance Sheet, take it home for their parent/caregiver to sign, bring it back and go around all their teachers before their last day at school. The teachers will sign this form and fill in any outstanding fees / books that need to be returned. Everything needs to be settled up before the student's last day.

A Leaving Certificate can be provided to students who want one – but they are not issued unless the student has fully completed the leaving process. They cannot be issued to students who have left during/because of suspension, or who have been expelled.

CELL PHONES

Cell phones **are banned** from school. If a student is seen with a cell phone it may well be confiscated. Parents must **come in person** to the school office and it will be returned to them.

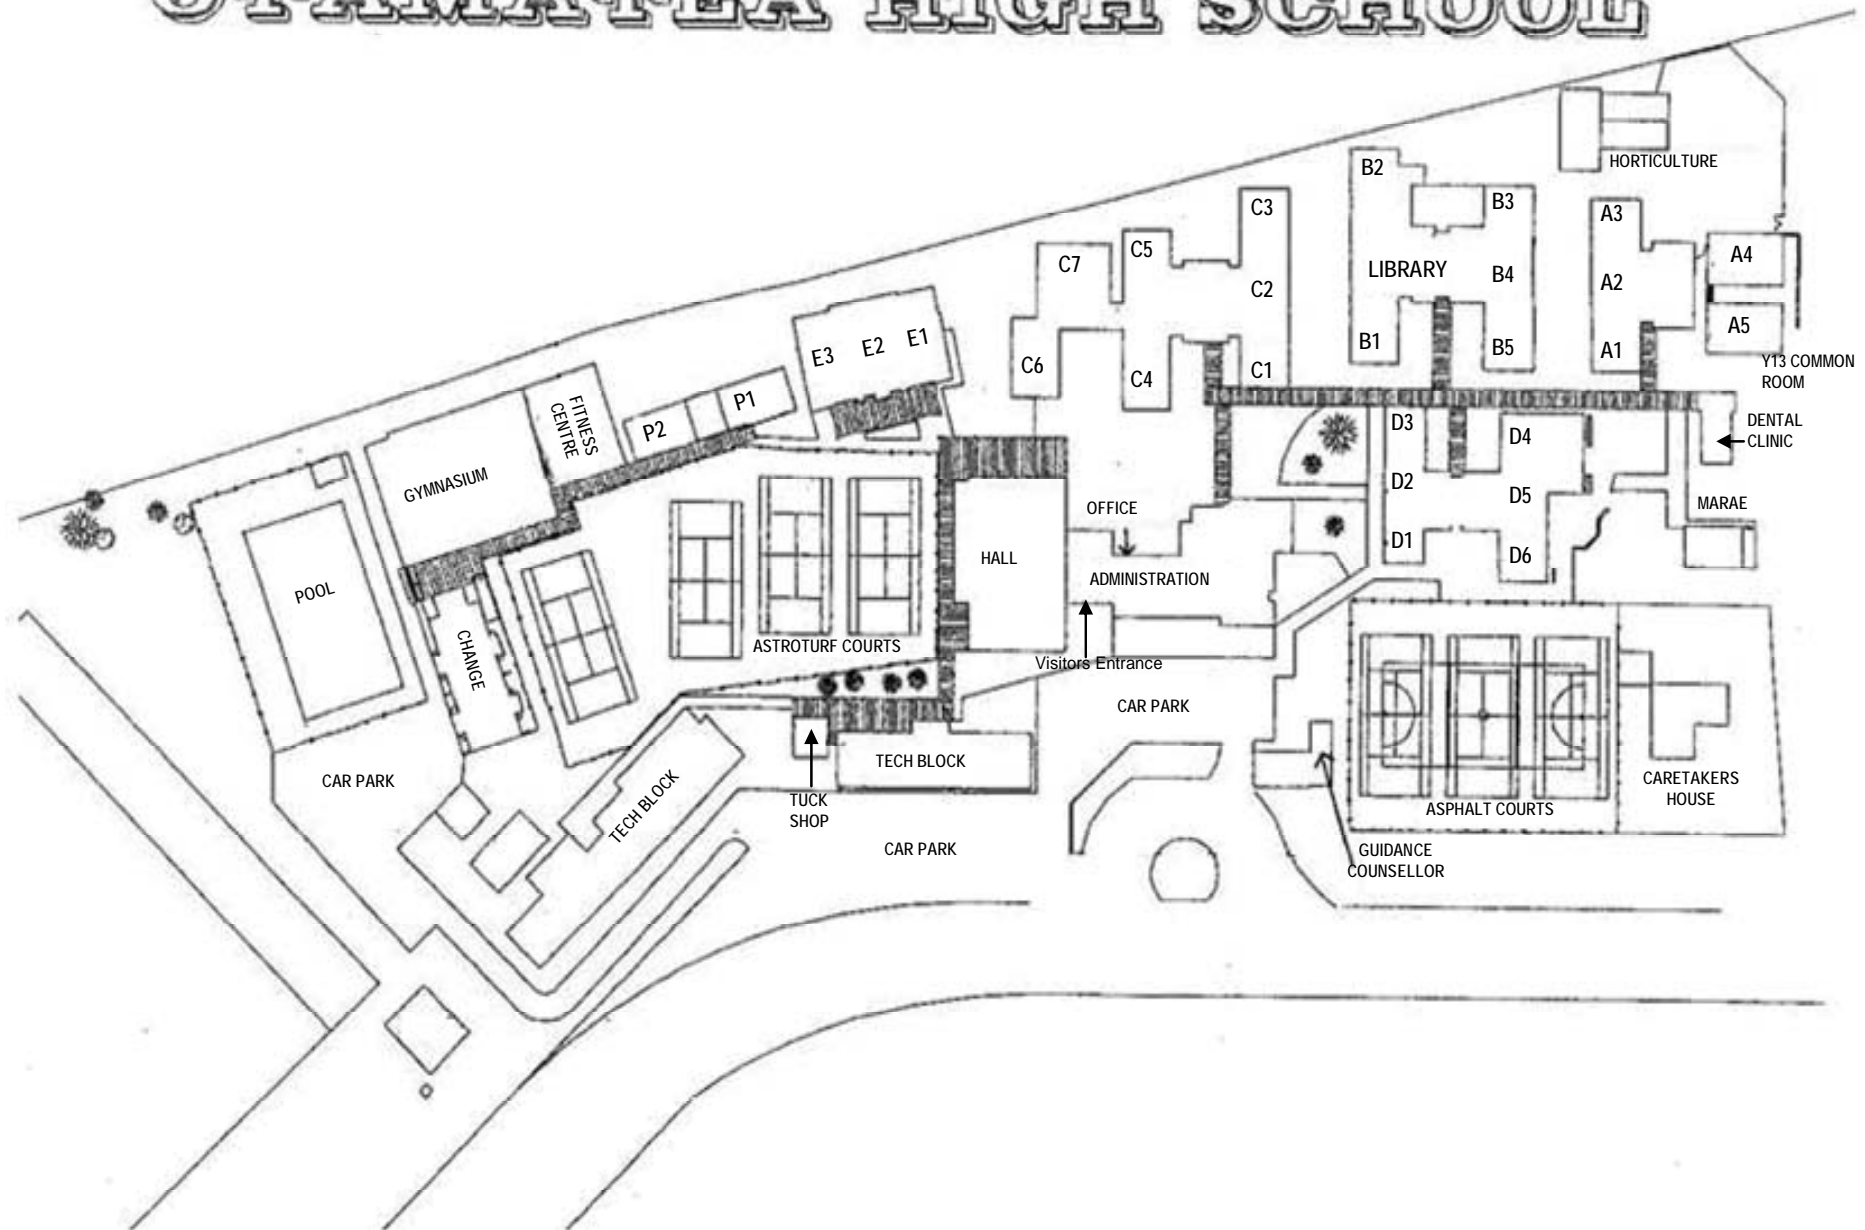

SCHOOL CANTEEN "Plod's Palace"

The school canteen is open before school, and at interval and lunchtime for students to purchase healthy food.
