

Senior Students [Y11-13] Examination Tutorials - End of Year 2023

Otamatea High School teachers are running the following tutorials to assist students in their end of year examination preparation. Year 11 and 12 students must wear the correct school uniform when attending these tutorials. All students must sign in and out at the Rongo or at the main office, when arriving or leaving school. Students needing a study space after or before their tutorial session should go to the **study classroom, which is C1**.
